PRODUCT/SERVICES

Australasian Distributor of Zuken Design & Simulation Technology

- Wiring, Control & Fluid Engineering Software
- Software sales
- Accredited support & consulting
- Peakload engineering resources
- Certified Training & implementation oversight

March 2019: *“PowerJump awarded Zuken’s top performance award for most new name accounts in SE Asia”*

CAPABILITIES

- Demonstrated capability in large system implementation
- Expertise in technology transfer through discreet supply chains
- Coordination of worldwide customer assets, tying together intercontinental deployments for synchronised international project execution
- Simultaneous creation of project & TLS documentation

DISCRIMINATORS

- PowerJump delivers high quality hand in glove training & support delivered by certified engineers
- All customers demonstrate compelling ROI result
- Zuken E3.series & PowerJump are the No1 Australasian supplier of electrical & fluid technology
- Routed system automation is the single most productive extension to mechanical systems
- MCAD agnostic -integrate with all major mechanical systems

KEY CUSTOMERS

- **Lockheed Martin Australia**
Propulsion Systems for SEA1000
- **Elbit Systems of Australia**
Land 400, Night Vision & Instrumentation
- **AME Systems Australia**
Integrated manufacturing for defence suppliers
- **L3 Technologies**
Communications platforms for Land 400
- **Premcar**
EV subsystems/IC drivetrain

KEY PARTNERS

- | | | | |
|------------|------------|---------------|---------------|
| • Zuken UK | • Zuken US | • Zuken India | • Vitech Corp |
| • Autodesk | • Dassault | • PTC | • Siemens |

ACCREDITATIONS

- **CATRENE** Cluster for Application and Technology Research in NanoElectronics
- **SPICE** Level 2 accreditation
- All relevant ISO, ANSI & MIL Standards

INTERNATIONAL IMPLEMENTATIONS IN DEFENCE INDUSTRY

- **BAE/Hagglunds/Land 400** platform design
- **NORTHROP GRUMMAN/50+** seats in US
- **RHEINMETALL/60+** licenses in US & Europe
- **BOEING/50+** licenses in US
- **SUMITOMO/100+** licenses across US & Australia
