Area of Capability

COMPANY NAME – Applied Measurement

<p style="text-align: center;">PRODUCT</p> <ul style="list-style-type: none">- Data acquisition instrumentation- Pressure transducers- Linear position sensors- Contact / Non-Contact sensors- Wireless telemetry- Intrinsically safe sensors- Elimination of live work solutions- Bespoke turnkey measurement solutions- Test and development measurement solutions- Load cells; force and torque measurement- Strain gauging- Camera based DIC	<p style="text-align: center;">KEY CUSTOMERS</p> <p>Thales / ASC / Babcock/ Department of Defence / Rheinmetall – supply sensors and implementation for various projects</p> <p>Rio Tinto / BHP / Westrac / Roy Hill Bespoke elimination of live work solutions in conjunction with various other measurement applications</p> <p style="text-align: center;">KEY PARTNERS</p> <p>TE, Positek, Eddylab, Waycon, Variohm, Wenglor</p>
<p style="text-align: center;">CAPABILITIES</p> <p>Since 1976 Applied Measurement Australia Pty. Ltd. has taken pride in providing innovative and effective solutions for applications that involve the measurement of physical parameters. We take a “one-stop-shop” approach to our sensor and system applications as we design, manufacture, distribute, support, and calibrate everything we supply from individual sensors through to complete systems.</p> <p style="text-align: center;">DISCRIMINATORS</p> <ul style="list-style-type: none">• Fully Australian owned• Ability to develop bespoke solutions.• Import from overseas and manufacture locally.• Full in-house engineering team• Service and calibrate all supplied measurement equipment to NATA standards	<p style="text-align: center;">QUALITY STANDARDS AND OTHER ACCREDITATIONS</p> <ul style="list-style-type: none">• ISO9001• NATA <p style="text-align: center;">CONTACT/ADDRESS DETAILS</p> <p>Nathanael Baker 0499 564 050 sales@appliedmeasurement.com.au 24a/49 Corporate Blvd, Bayswater Victoria 3153</p>
